

Wildlife Moose tour safari

Our nature guide Olli explains the tour

Our Most Popular Tour – A True Swedish Wildlife Experience!

After a short briefing, we head into the forest by minibus to enjoy a traditional Swedish *fika* by the campfire and learn how to make a fire.

As the sun sets, we go in search of moose and other wildlife in their natural habitat.

Just wear comfortable clothes – we'll handle the rest!

All activities start by the reception

Bring comfortable and suitable clothing, they will smell of smoke after the tour or may get wet depending on the weather.

Our nature guide Olli explains the tour

After a short briefing, we paddle out into calm waters and explore the forest by foot.

Back at the shore, we build a fire and enjoy a campfire-cooked lunch surrounded by nature.

In season, enjoy wild swimming or forage for berries and mushrooms – a true taste of Swedish wilderness.

All activities start by the reception

Bring comfortable and suitable clothing, they will smell of smoke after the tour or may get wet depending on the weather.

Our nature guide Olli explains the tour

After a short introduction, we paddle out into the calm waters, surrounded by nature.

Our first stop: a cozy campfire dinner and a lesson in fire-making, while learning about beavers and local wildlife.

As the sun sets, we glide silently through the water, searching for beavers in their natural habitat – a peaceful and unforgettable wilderness experience.

All activities start by the reception

Bring comfortable and suitable clothing, they will smell of smoke after the tour or may get wet depending on the weather.
